### **A day as a head-boy in Ridgewood Primaries**

It was a happy day of my life .When I took the pledge of Head boy Primary Wing for year 2022-2023 I never expected that I would be living my dream one day. The dream to lead the primary wing students.

Soon after the Investiture Ceremony, when I went back to my class, a horde of my friends ambushed me requesting "Canteen kab open hogi? I tried to explain them that I could only suggest it to my teachers and cannot open it on my own. But!!! Alas in my heart I wanted the canteen to open immediately.

In Spiderman movie Uncle Ben said with 'Great powers comes great responsibilities'

So, I definitely enjoy some liberties as being a Head boy, I can go ANYWHERE, ANYTIME with ANYONE. My fellow classmates always say that I am lucky to get out of the line and meet. any teacher whenever I want. I feel so elated to hear all this from my classmates but I know that I have to be absolutely alert about my demeanour, always.

I always fulfill my duties but then I miss the charm of being a naughty student. Nevertheless, the love showered on me by my friends and juniors makes up for any mist-masti of the day.

Although this position gives me great liberty, I know my responsibilities and make an endeavour that my teachers trust me.
