What are we going to do?

Let's ask ourselves this question.

Maybe our little ones have the answer.

प्रदूषण को जड़ से मिटाना है, और हम सबको अपने पर्यावरण को स्वच्छ बनाना है।

Let's be part of Solution, Not the Part of Pollution.

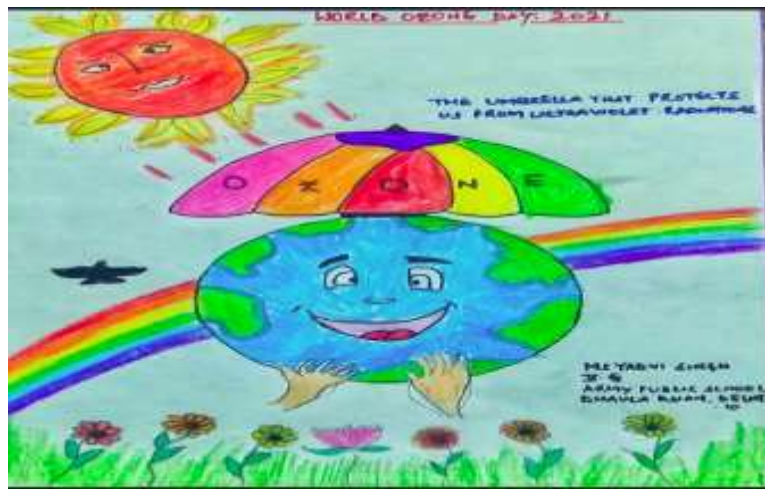

World Ozone Day – 16th Sept.

Life depletes when Ozone Depletes. We know that life would not be possible without the Sun. But keeping into consideration the amount of energy emanating from the Sun, it would be too much for life on earth to be sustained if it were not for the Ozone layer.

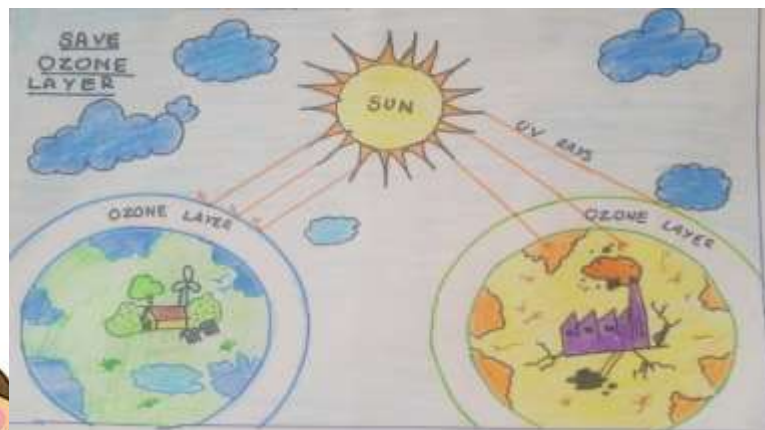

16th September is observed as International Day for the Preservation of the Ozone Layer or World Ozone Day

POSHAN VATIKA **(September 1-7, 2021)**

MoWCD celebrated the 4th Rashtriya Poshan Maah during September 2021 with focus on four key themes, of which one is 'Plantation activities as Poshan Vatika'.

The aim - Environmental awareness and awareness on nutrition could be spread among students, as well as availability of nutritional fruits and vegetables can be achieved.

Our students participated enthusiastically in this event.

Name: Priya Kumari 3G

Name of the plant: Tulsi

Importance: Tulsi has been used for thousands of years in Ayurveda for its diverse healing.

Name - Moghal Shaista

Sumayya

Class - 5E

Name of plants - Guava tree,
Banana tree and Lady Finger
plant.

कर लो अपने मन में निश्चय, करना है जल का संचय।

The Jal Shakti Abhiyan was launched by the **Ministry of Jal Shakti** in 2019.

It is a **campaign for water conservation and water security** in the country through a collaborative effort of various ministries of the Government of India and state governments.

The **important water conservation interventions** are: Water conservation and rainwater harvesting, Renovation of traditional and other water bodies/tanks, Reuse of water and recharging of structures, Watershed development and Intensive afforestation.

Eco Club, APSDK, aims to spread awareness regarding the same and hence invited the entries for the same on digital platform

3) OTHER LIVING BEINGS/PETS

• YOU MIGHT BE HAVING THE TIME OF YOUR LIFE BURSTING CRACKERS BUT THERE ARE OTH LIVING BEINGS AROUND YOU, LESS PRIVILEGED, LACKING THE ABILITY TO COMMUNICATE WAY YOU DO - ANIMALS INCLUDING YOUR OWN PETS. DOGS TEND TO GET CONFUSED SEEING THE SOUND AND LIGHT CHANGING IN THEIR IMMEDIATE SURROUNDING. THIS DIV BE THEIR SUPERHERO.

4) GARBAGE

• FORGET PM'S SWACHHA BHARAT CAMPAIGN, BUT WOULD YOU LIKE TO SEE GARBAGE ALL OVER WHEN YOU WAKE UP ON THE DAY OF DIWALI THE CRACKERS BURST NOT ONLY POLLUTES BY CONTAMINATING THE AIR, BUT ALSO POLLUTES THE LAND. SEE FOR YOURSELF!
