

## Earthquake mock drill report

- An earthquake mock drill was conducted on 18 April 2019 at 8.15 am under the observation of DCPCR team.
- The Incident Commander ( Principal) took a meeting with the coordinators and various team- in-charges a day before the mock drill and briefed about the layout and execution plan.
- On 18 April 2019 the mock drill was executed by raising the Alarm/Siren as per the instructions of the Principal.
- Students of class 9<sup>th</sup> and 10<sup>th</sup> first followed ' Duck, Cover and Hold' rule on hearing the first Siren.
- After raising the second alarm students came out of the building in a systematic order( within 3 min) along with the subject teachers and assembled as per the layout plan.
- At the assembly area the subject teachers took a head count and reported the missing students to the Information centre.
- The missing and injured students were taken out by the 'Search and Rescue Team.
- Injured students were taken to the medical centre, where they were given first aid by the 'First aid Team'.
- A demo was given by the Demo Team on how to use a fire extinguisher.
- After the Demo , students were briefed about the Do's and Don'ts during a fire at the assembly area
- Students were taken back by the subject teacher to their respective class rooms.
