We would like to take this opportunity to congratulate each student of Class 10 & 12 on their excellent result and hard work. We'd also like to thank our parent community that has whole heartedly supported both their children and the school in all their endeavors.

The school would be extremely interested in the onward journey of each of our Class 12 children; what are their plans & further admissions in colleges. Therefore we request them to kindly send their details on the colleges & courses chosen in future to their Coordinator Ms. Sharmila Chadha at her email id: sharmilachadha@hotmail.com.

We wish our children the very best for their future! We are sure that they will continue to do us proud in the future.

Warm regards,

Komal Sood
Principal
