14th May, 2020

Dear Parents & Children,

After a hectic one and a half months of online classes, we are ready to break for the summer. The summer vacations for classes I to class IX will start from the 16th of May; and the school will reopen on the 1st of July. Whether the school reopens physically or not will depend on the instructions & the advisory issued by the Delhi Govt closer to the date.

Some interesting Holiday HW is being set for the children which is being put on Snap HW for your reference. It's imperative that children take this work seriously and complete it in the vacation time.

We have some exciting news for you. 'Aviral' our school magazine is going digital! This means that in addition to articles, poems & Art work which used to be a part of the magazine, we will also be ready to accept podcasts, videos, songs, or any other interesting digital content created by the students. You can view the teasers about Aviral going digital on the following links: <https://youtu.be/xiya0nYSmY4>

&

<https://drive.google.com/file/d/1kOPGF7TaQLfzQvA3TOtn07SdWCLW5Bh4/view?usp=sharing>

You can send your contributions on the following email id: contributions.aviral.apsdk@gmail.com

The work done, including the number of chapters, assignments, tests, done, per subject per section, in these one and a half months has also been uploaded on Snap HW for the perusal of the parents.

The teachers have worked very hard during these months. It's extremely unfortunate that many parents have not paid the fee for both April & May. As per the instructions of the Govt, we are only charging the tuition fee, and that also on a monthly basis (although Digicampus is erroneously showing Fee for the Quarter April- June). Therefore you are requested to clear the dues as soon as possible. The teachers have been calling up the defaulters and reminding them to pay the fee and it is very disheartening to hear their stories of parents being rude to them! This is totally unacceptable to the school. We are hoping that no reminders will need to be sent for the fee for the month of June!

Once the school reopens we will be conducting the Periodic Test-1, the datesheet for which will be shared on Snap HW in the last week of June. Therefore please check Snap HW before the school reopens in July. The children must go over & revise the portions taught in these one and a half months so that they are well prepared for these periodic tests.

Any important information/instructions received from the Govt will also be put on Snap HW. Therefore parents are requested to check SnapHW at least once a week to be updated about the information being put up by us.

The Govt may look at relaxing the lockdown in the coming days but we would urge both our children & parents to be extra careful & take all necessary precautions for the prevention of Covid-19.

On behalf of the staff of APSDK, we wish you all safe & happy holidays.

Komal Sood
Principal
