MICROSOFT TEAMS

MICROSOFT TEAMS is a **FREE** app where your online classes for your child shall be conducted on this platform. The teachers will post assignments and homework on Microsoft Teams. The child is required to submit the classwork and homework on Microsoft teams as per the teacher's instructions. The students can see what work is due and submit assignments accordingly. The students are required to follow the time table of the online classes provided by the class teacher and they should be ready with required books and notebooks for the day.

Dear Parents and children,

Welcome Back!

I hope you had a wonderful summer. I also hope you are relaxed, recharged and ready to re start the school year. It's a delight to have you all as a part of our amazing learning community. I welcome and value your positive energy and dedication to excellence in education, and I look forward to working with you and your children.

My skilled and devoted staff has already planned and prepared a plenty of activities and worksheets for your child(ren).

Make sure that the kids are regular. Keep a check on the child and limit distractions around them. Also, make them responsible for completing and submitting their assignments in time by helping them develop regular study habits.

We look forward to an enriching year ahead. We are eager to meet each one of you in person. Till then Stay safe! Stay healthy!

DIG INTO READING

It's really important that your child continues reading regularly, not only to improve their understanding but also for fun!

TAKE YOUR TIME, TRY YOUR BEST -

Dear Parents the children should take their time with the work, not to rush to finish it first and always 'Turn in' their best effort and work.

Greetings to all !!!

As we all are in the midst of a pandemic, we realise that it is quite a challenging phase for us and our kids. So, in order to overcome the negative emotions and to develop stronger mental immunity we all have to keep ourselves engaged. Make your children as partners and enjoy new activities at home. Let the child create something new every week. Challenge the child and then motivate him/ her to write a journal. Appreciate the beauty of imperfection as it is an opportunity for growth . Experience that occurs in childhood years influences the persons development . Be flexible with young minds and help them gain more confidence . For empowering the kids we have arranged a plethora of activities in the coming months in the school like little chefs, Spell Bee , Dress and Depict , create Mini beach /Tray Garden , A minute to win , kaho kahani , eggshell mosaic , newspaper reading competition , aquarium in shoe box , role play etc . In the end I would like to say that keep your children happy. Let's all smoothen the creases and listen to our kids patiently and help them sail smoothly. Teach them that "Success is not measured by what you accomplish, but by the difficulties you have encountered , and the courage with which you have overcome the odds."

Let's get together and make it a memorable time for us and our children .

A beautiful presentation prepared by our Hindi Teacher Mrs. Haseena on the occasion of Ram Navami.

युवा अवस्था व वनवास

माता कैकयी के कहने पर राम जी वनवास जाने को भी तैयार हो गए थे। उस समय उनकी आयु मात्र 27 वर्ष थी। वनवास में उनके साथ उनकी पत्नी सीता और भाई लक्ष्मण भी गए थे। राम जी के धनुष का नाम "कोदण्ड" था। राम जी ने हमेशा मयीदाजी को सर्वोच्च स्थान दिया था। इसी कारण उन्हें मयीदा पुरूषोत्तम राम के नाम से जाना जाता है। उनका राज्य न्यायविधि और सुधारण माना जाता था। इसलिए भारत में जब श्री सुराज (अध्या राज्या) की बात होती है, तो रामराज या रामराज्य की बात होती है। राम जी के दो पुत्र थे - लव व कुश।

जिस जंगल में भरतान राम, सीता मैया और लक्ष्मण जी ने वनवास काटा था, उस जंगल का नाम देवकाश्रण्य था। लंका पर चढ़ाई करने से पहले श्री राम ने रामेश्वरम में शिव लिंग बनाकर शिव की आराधना की थी। आज भी रामेश्वरम को भारत के प्रमुख तीर्थ-स्थलों के रूप में माना जाता है। लंका पहुंचने के लिए समुद्र पर रामसेतु (राम का सेतु अर्थात पुल) का निर्माण करने में केवल 5 दिन का समय लगा था। रामचरित मानस के अनुसार राम-राज्य का सुदृष्ट 32 दिन तक चला था जबकि दोनों सेनाओं के बीच युद्ध 87 दिनों तक चला था।
