

### Academic Excellence Ceremony

Army Public School, Dhaula Kuan organized the Academic Excellence Ceremony for students of Class IX and XI ( currently in X and XII ) on 7 May 2022. A simple way of reminding our students that academic achievement is one of the initial steps in their journey towards success and this token of motivation and encouragement goes a long way for the young scholars. Our Principal, Ms Komal Sood along with the senior most faculty members of the school (Ms Chadha- Coordinator XI-XII, Ms Wadhwa, Ms Nijhawan, Ms Bawa and Mr Manoranjan) proudly presented the achievers certificates, badges with different stars depending on the consistency of their academic performance, ties, blazers and trophies. The pride with which 'the head was held high' showed all of us that the young brilliant minds were capable of proving their capability in the face of any adversity. The extraordinary performance in an offline mode brought back the confidence of the students and the ceremony witnessed rounds of applause and appreciation for the proud TAPSITES.
